ENCLOSURES (NO. & TYPE)

REMARKS

SOURCE 25X1X

25X1C 1. On [redacted] troops were seen bivouacked in the Bugaci woods which borders on the east side of the road to Kecskemet (Y 6/N 95), about 18 km northeast of Soltvadkert (Y 6/N 62). Local residents said that the troops had arrived from the direction of Kecskemet during one night about 21 March.

2.

25X1C

3. Local residents said that Soviet troops practiced at the former airfield southeast of the bivouac area mentioned in paragraph 1. A local farmer stated that one or two light aircraft participated in the exercises, dropping small bombs at predesignated spots. Occasionally the aircraft landed at the former airfield. *
